MODERN TOWER CHIMES

(Played by Organist from Electric Keyboard)

Inventive genius has made the operation of Modern Tower Chimes as simple and easy as picking out a tune with one finger on the piano. The tone—round, full and velvety—is fully controlled by electrically operated striking actions and dampers which latter prevent all tone intermingling. Cost is moderate. Concerted action will enable US to have Chimes ringing by NEXT Christmas.

THE MEMORIAL SUBLIME

To persons of affluence these modern Chimes present the one most fitting and enduring form of Memorial. Inquiry addressed to J. C. Deagan, Inc., 279 Deagan Building, Chicago (to whom we are indebted for these folders) will bring, without obligation, full information including attractive Memorial Booklet.

Dear Mr. Deagan

PAYNER LITHO. CO. CHICAGO

THE QUIET HOUR.

Jas.4:8 Draw nigh toGod and he will draw nigh ~~/~~to you.

INTRO. Read from Clark's "My Quiet Hour"

The Quiet Hour, then, is the hour of communion with God, the Prayer-hour. Text.

A lost art among many Xns.

—Its Rediscovery and use by
Xn Scientists, New Thot, Theosophy, etc.
Increased attention to worship in student circles.
In both England and the U.S.
A growing demand for devotional literature and services within the churches.

—Why this change of attitude?
The Social Gospel has not materialized
Science is not the last word after all.
The vivid sense of God has been found to be the most determining factor in daily life, and without it the hungering soul cannot be satisfied.

I. What the Quiet Hour of Prayer Does For Us.

1. It sharpens our sense of Appreciation.
It makes us alert to all the wonder and beauty of the world in which we live.
It gives us a ~~real~~ grasp of the real values of life- power, wisdom, righteousness, goodness, understanding, mercy, love, and enables us to seek them at their very source- in God Himself.

2. It puts us into fellowship with God.
a. When Jesus came, he freed us from fear, anxiety and helplessness and opened up to us all the possibilities of joy, peace and power.
"God is Spirit"
The presence of God independent of time and space.
The most essential part of us-the inner spirit

"When ye pray, pray to your Father"
"If ye being evil know how to give good gifts to your children, how much more will your heavenly Father give good things to them that ask Him?"
All that fatherhood implies God is to us

"When ye pray, say, "Our Father".
Spirit cannot be limited. All Spirits belong to the One Spirit-God.
There could be no enmity, no malace, no wars if we believed the words of Jesus.
The severest words that Jesus ever utter ed concerned those who make it hard for others to believe in the Fatherhood of God; who forget that theyare one with all life; who re fuse to forgive men; who di not love their enemies nor pray for them.

An idea lived with long enough becomes dynamite with which the world can be shaken. The Father of God is the most powerful transforming idea that has ever entered the mind of man. Tostart each day with it and to live with it will give us the dynamic of greatest personal influence for good. The practice of this one idea transforms the univers into the Father's House where we live and work and play, and makes of God the Great Companion who meets every human need.

— Bach & L.

3. The Quiet Hour of meditation and Pyayer does more than awaken our sense of appreciation and bring us into true fellowship with God and one another; it renews and re-creates us, making of us creative beings.
It furnishes us with supplies of energy with which to reinforce our limited powers and enable us to stand the strain of the daily grind.
"We come to God in our weakness to be made strong; in our ignorance to me bade wise; in our sickness to be made well; in our sorrow to be made happy; in our sin to made righteousness."

4. The Quiet Hour is Discipline for Service.
Here we discover our shortcomings, and in renewed consecration rededicating ourselves anew to the cause of Christ, we go forth to do the will of God in all things.
The chinaman who brot so many of his friends to the mission. "I got down on my knees and talkie, talkie, talkie; then I got up and walkie, walkie, walkie."

Conclusion:

Conclusion

3.

I. The difference between Xns in their Xn influence
All pounds are not alike. Feathers, lead.

2. We must ~~be very~~ interested and exercise The Quiet Hour with earnestness.

Ill. The minister watching the sculptor on knees working with chisel.
"I wish I could wield such telling blows upon hearts of stone."
"Perhaps you could if you worked more on your knees."

The Quiet Hour not a Duty so much as it is a great privelege.

3. Let us make the Quiet Hour a life-habit, not merely use it in emergencies. ~~Like the boy sliding down the roof.~~

"Draw nigh to God and He will draw nigh to you.
Give yourself to God and He will give Himself to you.
Take your lessons to your Father and He will help you learn them rightly
Take your friendships to God and He will put faith and loyalty and love into them
Take your weaknesses and sicknesses to God and He will give you strength and health
Take your pleasures and good times to God and He will sanctify them and transform them into lasting joy and satisfaction.
Take your disappointments and sorrows to God and He will turn them into blessings.
